An Act creating a Greene County Hospital, pursuant to Sections 45 and 49 of the County Law and Section 126 of the General Municipal Law, as amended.

On motion Mr. Travis.

WHEREAS, a committee of the Board of Supervisors of Greene County has heretofore been appointed to examine the question of the advisability of the establishment in and for Greene County, of a County Hospital, pursuant to Sections 45 and 49 of the County Law and Section 126 of the General Municipal Law, and report their findings in connection therewith, and

WHEREAS, at the time of approval and filing of said report additional time was requested for a futher consideration of the report and its contents, and since the said meeting of this Board on February 9, 1931, your committee, accompanied by various members of the Board have discussed further the question of the establishment of said County Hospital with the New York State Department of Health, and

WHEREAS, it appears that the Greene County Memorial Hospital Committee is ready and willing to transfer to the County of Greene, the sum of $ 35,000. for the erection and equipment of a Greene County Hospital, to be located in Catskill, New York, and the New York State Department of Health is ready and willing to appropriate and make available a like sum for the said purposes and

AGREEMENT, made this 15th day of December, 1931, between the Memorial Hospital of Greene County, Inc., a membership corporation organized under the laws of the State of New York, and having its principal office at Catskill, Greene County, New York, party of the first part, and the County of Greene, a municipal corporation of the State of New York, party of the second part:

WHEREAS, the party of the first part was organized under the Membership Corporation Law of the State of New York, May 20th, 1926, for the purpose of establishing and maintaining in the Village of Catskill, Greene County, New York, a public general hospital for the care and treatment of the sick, and has received and is entitled to receive certain gifts and bequests for that purpose under the wills of Alice Bonestel, Frances S. Mann and Margaret V. Austin, deceased; and

WHEREAS, the funds available to said party of the first part for that purpose have proven inadequate and insufficient to establish and maintain such a hospital, and a literal compliance with the terms of said wills is therefore impracticable and impossible; and

WHEREAS, there is in said County of Greene no public general hospital, and only a small Red Cross Center which is located at Tannersville, in said county, and there is constantly increasing need and demand for a public general hospital for the care of the sick in said county; and

WHEREAS, it has been proposed to the parties hereto by representatives of the New York State Department of Health that a county hospital be established in said county by the Board of Supervisors of said party of the second part, and such representatives have given the parties hereto assurance of State aid in the establishment and maintenance of such county hospital under Article 11-B of the Public Health Laws; and

WHEREAS, it has also been proposed that the funds which have been received or may be hereafter received under the above mentioned wills by the party of the first part for the establishment and maintenance of a public hospital in said county be devoted to the extent, in the manner and upon the conditions hereinafter stated, to the establishment and maintenance by the party of the second part of a county hospital in or near the Village of Catskill, aforesaid; and

WHEREAS, by special Act of the Legislature of this State (Chapter 132 - Laws of 1931), the Board of Supervisors of the party of the second part has been authorized and empowered to establish in said county a public general hospital, without the approval of such resolution at a general county election; and

WHEREAS, the establishment of such county hospital has been determined upon by the Board of Supervisors of the party of the second part, provided the party of the first part is authorized and directed by the Court to contribute from the funds held by it for hospital purposes to the extent, in the manner and subject to the conditions hereinafter stated;

Now, in consideration of One Dollar, and the mutual covenants and agreements herein contained, the parties hereto covenant and agree, subject to the approval of the Court, as follows:

(1). The Board of Supervisors of said party of the second part shall proceed to establish a County Hospital under Section 126 of the General Municipal Law, to be located in or near the Village of Catskill, in said county, as soon as practicable after the party of the first part shall be authorized by the court to contribute to the erection and maintenance of such hospital as hereinafter provided.

(2). The party of the first part will promptly apply to the Court for authority to so contribute to the erection and maintenance of such a County Hospital, and if authorized by the Court to do so will contribute one-half of the cost of procuring a suitable site in or near said Village of Catskill, and the

erection thereon and equipment of a public general hospital, such amount so to be contributed not to exceed $50,000, and will also thereafter contribute from year to year, subject to the approval of the Court, to any deficit which may arise in the maintenance and operation of such hospital to the extent of one-half of such deficit, but not exceeding the income which may be received by said party of the first part on the remaining funds now held by it or to which it is entitled.

(3). The construction, maintenance and operation of such hospital shall in all respects meet the requirements of the New York State Department of Health so as to entitle the party of the second part to State aid under Article 11-B of the Public Health Law.

(4). As an express and continuing condition of such contribution by the party of the first part to the erection and maintenance of said hospital, a majority at least of the members of the Board of managers of said county hospital shall be selected, and their successors shall be appointed, by the Board of Supervisors of the party of the second part, from the members of the board of directors of the party of the first part, to the end that a majority at least of the Board of managers of said county hospital shall at all times be and consist of members of the board of directors of the party of the first part, and the party of the first part may withhold any contribution which may be authorized by the Court toward the erection or maintenance of said hospital in the event of the failure at any time to comply with such conditions.

(5). That the selection of a suitable site for such hospital in or near said Village of Catskill shall be made by the Board of Supervisors of the party of the second part, but the selection of such site shall be so made by said Board of Supervisors only after approval thereof by the board of managers of said hospital.

(6). This agreement is conditioned upon the approval by the Court of the proposed contribution by the party of the first part to the establishment and maintenance of such county hospital upon the terms and conditions herein stated, and shall become effective and binding upon the parties hereto immediately upon the entry

of an order of the Court authorizing and approving such use of the funds of the party of the first part.

In Witness Whereof, the party of the first part has caused these presents to be executed by its President, and its corporate seal to be hereunto affixed, and the said party of the second part has caused these presents to be executed by the Chairman of the Board of Supervisors, and the seal of said County of Greene to be hereunto affixed, the day and year first above written, in duplicate.

BE IT RESOLVED, that the following Local Law be adopted:

LOCAL LAW NO. 4 OF THE YEAR 1970

COUNTY OF GREENE, NEW YORK

A LOCAL LAW to provide for the continuity of government of the County of Greene, New York, in the event of an attack or public disaster.

BE IT ENACTED, by the County Legislature of the County of Greene, New York as follows:

Section 1. Intent. The New York State defense emergency act, in section twenty-nine-a thereof, authorizes political subdivisions of the State to provide for the continuity of their governments in the event of an actual or imminent attack upon the United States by an enemy of foreign nation. The general municipal law, in section sixty thereof, authorizes political subdivisions to provide for the continuity of their governments in the event of other public disasters, catastrophes or emergencies. Based on the authority contained in such laws this local law is adopted so that on such occasions the government of the County of Greene, New York, may continue to function properly and efficiently under emergency circumstances.

Section 2. Definitions. As used in this local law the following terms shall mean and include:

a. "Attack". Any attack, actual or imminent, or series of attacks by an enemy or foreign nations upon the United States causing, or which may cause, substantial damage or injury to civilian property or persons in the United States in any manner by sabotage or by the use of bombs, shell fire, or nuclear, radiological, chemical, bacteriological, or biological means or other weapons or processes.

b. "Public Disaster". A disaster, castrophe or emergency, actual or imminent, of such unusual proportions or extent that (1) a substantial number of the residents of the County of Greene either sustain injury, become ill, are infected with disease, have their lives imperiled, are killed or die as the result of injury, disease or exposure, or the property of a substantial number of such residents is imperiled, damaged, or destroyed, and (2) it is necessary and essential in the interest of public safety, health and welfare that the continuity of the government of the County of Greene be assured in order that it be enabled to function properly and efficiently and to exercise its essential powers in meeting emergency conditions. Such disasters, catastrophes and emergencies may include, but shall not be limited to conflagrations, tidal waves, pestilence, riots, insurrections, storms, prolonged failure of electric power or essential transportation services, or any incident or occurrence which causes or threatens to cause danger to life, health or property from exposure to noxious materials or radiation.

c. "Duly authorized deputy". A person authorized to perform all the powers and duties of a public office in the event the office is vacant or at such times as it lacks administration due to the death, absence or disability of the incumbent officer, where such authorization is provided pursuant to the provisions of any general, special, or local law other than this local law.

d. "Emergency interim successor". A person designated pursuant to this local law for possible temporary succession to the powers and duties, but not the office, of a County officer in the event that neither such officer nor any duly authorized deputy is able, due to death, absence from the county, or other physical, mental, or legal reasons, to perform the powers and duties of the office.

Section 3. Designation, status, qualifications and terms of designation of emergency interim successors.

a. Elective officers. Within thirty days following the effective date of this local law, and thereafter within thirty days after first entering upon the duties of his office, each elective officer shall, in addition to any duly authorized deputy, designate such number of emergency interim successors to the powers and duties of his office and specify their rank in order of succession after any duly authorized deputy so that there will be not less than three duly authorized deputies or emergency interim successors, or combination thereof, to perform the powers and duties of the office.

b. Appointive officers. Each officer or body of officers empowered by law to appoint officers shall within the time specified in subdivision a of this section, in addition to any duly authorized deputy, designate for each such appointive officer such number of emergency interim successors to such officers and specify their rank in order of succession after any duly authorized deputy so that there will be not less than three duly authorized deputies or emergency interim successors, or combination thereof, for each such officer. The name,address and rank in order of succession of each duly authorized deputy and emergency interim successor shall be filed with the County Clerk and each designation, replacement, or change in order of succession of any emergency interim successor shall become effective when the designator files with such clerk the successor's name, address and rank in order of succession. The clerk shall notify in writing each designated person of the filing of his name as an emergency interim successor and his rank in order of succession and also shall notify in writing any person previously designated who is replaced or whose place in order of succession is changed.

Section 6. Qualification for taking office.
