We Pause To Remember

The sun shined brightly on September 11, 2026 . . .just as it did 25 years ago. However, as we gathered, we remembered that day back in 2001. Our country would never be the same due to the terrorist attacks on our home soil. Just as numerous communities across the nation paused to reflect on the events of that day, so too did Greene County. Greene County Legislature Chairman Patrick Linger welcomed all in attendance just before the colors were posited. Emergency Services Director John P Farrell led the crowd in reciting the Pledge of Allegiance. The keynote speaker was Cornell Morris, Ret. Colonel US Army and was followed by various elected officials. As its tradition every year, the roll call of Greene County individuals who lost their lives while on duty as a firefighter were read by Richard Frasco (East Durham Fire), as well as the roll of law enforcement. A moment of silence was held and followed by a gun salute.

Anyone attending saw something new this year. In respect to the 25th anniversary, there were 2077 flags placed on the grounds by the Greene Count American Legion – one for each innocent individual who lost their life that fateful day.

"*Charge into Fire Safety: Safe Charging Is a Superpower*"
October is National Fire Safety Month

During the month of October, several Greene County fire companies gave presentations at area schools to stress the importance of knowing fire safety. Thank you, Athens, Catskill, Coxsackie, Greenville, Kiskatom, Palenville, Prattsville, and West Athens.

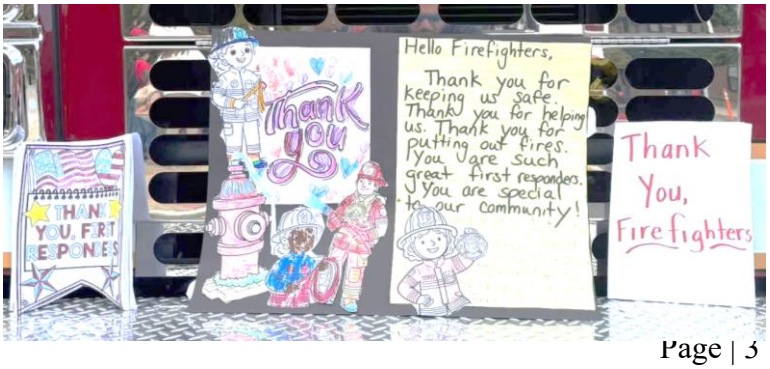

Ashland Fire Department

So many saw the 2,976 flags around the tent during the recent GCVFA convention in Ashland. A flag was placed in memory of each innocent life lost on 9-11.

What you didn't see was the 6+ hours of dedication it took to make it happen. Those individuals that got it done were honored to do so.

This photo, to the left, is of the last one going in. All the volunteers were beyond amazing and made the vision come true.

Congratulations to the winners of our gun raffle.
First place - Clippy Soule
Second Place - Audy Tompkins
Third Place - David Lodge.

Ashland's annual golf tournament was once again a great success! Sorry for the delay in getting this out but with hosting the convention and everyday life it's been a little hectic this year. For everyone who participated or donated, THANK YOU! Over $ 5800 is going to the burn unit this year.
Sincerely, Ashland Fire Department, Randy Tuttle, Foreman.

Athens Volunteer Fire Department

Firefighting . . . It's A Family Affair

Catskill Fire Department

Catskill firefighters visited Mama Bear Daycare. They absolutely loved our visit with the children talking about fire safety and showing our equipment. Officer Kate from Catskill Police, as well as being a firefighter, brought her dog to meet all the children. Thank you, firefighters Rogers and Della Monica, for engaging our future generation of this community. It was a most enjoyable day for all.

Catskill Fire Department Ladies Auxiliary gathered for their annual dinner! While this year's celebration looked a little different than it had in the past, the laughter, friendship, and camaraderie were still just as strong. It was wonderful to welcome both our new and seasoned members and celebrate the amazing women who make things so special. Here's to creating new memories, continuing traditions, and supporting one another along the way.

Catskill Firefighters recently gave a presentation to the community at the Robert Antonelli Senior Center on fire safety. Lt. Swart reviewed key topics, such as Smoke detectors, keeping clear paths of egress in your home, fire extinguisher use, common causes of house fires and how to prevent them from happening, keeping doors closed and flow path. etc. The seniors showed their gratitude by putting together a gift basket and serving cake for our members to enjoy. Thank you to the senior club officers for having us come out to do this talk!

Thank you to the Catskill United Methodist Church thrift store for donating $400 towards buying smoke detectors for those in need. Smoke detectors are the cheapest, most reliable first line of defense to alert you and your loved ones of fire.
The Webers are longtime community members who along with the entire congregation of the church want to do their part to protect the community. We can't thank them enough.
Pictured from the left to right is Mr. Webber, Catskill Assistant Chief Ed Dolan, Mrs. Webber and CFD Treasurer Joe Kozloski.

Coxsackie Hose Co. #3

Thank you to the Riverside Festival Committee for a fantastic festival, also thank you to everyone who stopped by our booth to purchase food or merchandise. We truly appreciate all your support.

East Durham Fire Company

At the annual election of officers for the year 2027, the following were elected:

Chief (Car 1) - Joseph van Holsteyn

1st Assistant Chief (Car 2) - Matthew Matice

2nd Assistant Chief (Car 3) - Brian Lewis

3rd Assistant Chief (Car 4) - Danny Byrne

4th Assistant Chief (Car 5) - Russell Jennings

Safety Officer (Car 8-40) - Rusty Sala

President - Alan Beechert Sr

Vice President - Garry Deatsch Jr.

Recording Secretary - John P. Bondrew

Treasurer - Margeaux Ringwald-Deatsch

Financial Secretary - Richard Frasco

Sgt-At-Arms - John Vantassel

Chaplain - Richard Frasco

Trustee (3 Year Term) - Josh Dedrick

Congrats to all the incoming officers, and a big thank you to all the officers who have served.

Nine members of the EDVFC family went to Albany to honor those fallen in the 9/11 attacks 25 years ago by climbing 42 stories of Corning Tower. Together they raised $3170 for Tunnels2Towers! A new team record! Never forget and thank you to all those who have supported the team!

Hensonville Hose Company

❤️**DEMPSEYSTRONG**❤️

It all started with "We should do a chicken BBQ for them." The hole started and we kept digging until that hole turned into CD Lane Park, live music, raffles, touch-a-truck, face painting, temporary tattoos, lemonade stand, K-9 demo, Sheriff's Child ID, magic, balloons, 1,000 chicken halves, and yep… the petting zoo! What began as a simple idea to help the Dempsey family turned into something so much bigger.

And we are still in awe. It became a force. A family. It became a community. It became neighbors helping neighbors. Friends becoming family. People showing up for people they may have never even met. It became a very large shoulder….

1,000 chicken halves, countless hours, overflowing tables, amazing donations, laughter, tears, healing, music, kids running around, and so many helping hands.

Most importantly, it became a reminder that they are surrounded by people who care. We love you guys!!

There is absolutely no way we could name everyone who played a part, but we need to try.

- To the incredible members (family) of HHC who showed up day and night, never once hesitated to jump in, worked behind the scenes, and even sat roadside selling 50/50, selling brownies, and selling the very last of what we had left in chicken halves the day after — you gave your time, your energy, and your hearts. We are so incredibly grateful. WE WERE 10 HALVES AWAY FROM BEING SOLD OUT! From 1,000!!
- To our brother volunteer fire departments — there are simply no words. We could not have pulled off 1,000 chicken halves without you. You came when we called, you worked alongside us, and you helped make the impossible look easy. We are proud to stand beside you.
- To every volunteer — adults and kids — THANK YOU! Whether you were cooking, serving, setting up, cleaning, selling tickets, running games, carrying boxes, or just jumping in wherever you were needed… every single one of you mattered.
- To the many, MANY donors — the businesses, families, organizations, and individuals who gave so generously. The prizes, food, gift certificates, auction items, supplies, and countless other donations were incredible. You helped make the day possible.
- To everyone who came out and supported - whether you bought a chicken dinner, bought raffle tickets, bid on an auction item, brought your kids, shared a post, donated, or simply showed up — YOU helped.
- And to everyone who prayed for the Dempsey family — those prayers mean more than we could ever put into words.

We started this with one thought: "How can we help?" and our community answered that question in the most beautiful way possible. You stood beside the Dempseys. You stood beside us. And we all stood together.

From the bottom of our hearts, THANK YOU.

Thank you for the hours. Thank you for the donations. Thank you for the hard work.
Thank you for the laughter. Thank you for the love. Thank you for the prayers.

It truly takes a village… and this village showed up. Together, we are stronger.

❤️Rest easy, little cowboy. We will stand beside you. ❤️

Kiskatom Fire Company

Maybe you came to take out or maybe you came to eat-in at our Annual chicken BBQ.
Whatever way, we truly thank you for all your support.
It's a lot of work that not only is successful by what our members and ladies aux. do but by YOU, our community, supporting it! THANKS!!❣️

New Baltimore: Cornell Hook & Ladder

Election Day Chicken Barbecue
77 Gill Road Firehouse - Drive-through
Cost $15 a dinner for 1/2 chicken; Baked potato; Vegetable; Coleslaw & Roll
Preorders will be accepted until October 30th and are highly recommended to guarantee a meal. There will only be a limited number of meals available on the day of the event.
Call 518-756-8312 or text (518) 694-2219 to preorder. Leave your name, phone number, and number of meals you would like.

Oak Hill-Durham Fire Company

OH-D members conducted fire extinguisher training for staff at Haleon. Everyone learned about the different types of fire extinguishers and practiced putting out a fire using a fire simulator.

Palenville Fire Department

Palenville Fire is always willing to help keep our community clean, via Adopt-A-Highway. There was a good turnout of members with two of our most senior members setting the tone.

The Hanzls

Congratulations to Jennifer Rouse Lennon on 25 years with the Ladies Auxiliary of the Greene County Firemen's Association.

Prattsville Hose Company

From the bottom of the Prattsville Hose Company's hearts, thank you to everyone who came out to honor and send brother, past Chief and Commissioner Randy C. Brainerd, off the way he deserved.

Despite the weather, the turnout was truly incredible. Seeing so many people come together to honor Randy was a powerful reminder of how many lives he touched and how much he meant to PHC, the fire service and our community.

Prattsville Fire is forever grateful for the love, support, and respect shown to Randy and his family. Know that he'll be watching over us all.

Thank you, Chief. Rest easy, brother. We'll take it from here

During National Fire Prevention week, Prattsville Hose Company partnered with their automatic mutual aid department Conesville Fire, in neighboring Schoharie County, to teach grade school children fire safety and lithium battery safety and awareness. Smiles all around every year

West Athens – Lime Street Fire Company

West Athens Fire is grateful to @drinkdripdrop and @nvfc1 for their support through the 2026 DripDrop Hydration Giveback Campaign! Fast hydration is essential for our firefighters working in summer heat, during wildfires, and on long calls.

The committees have been formed, and they are busy meeting in preparation for next year's GCVFA Convention which they will be hosting. Co-chairmen are John J Farrell and James Murphy. Dates are September 8 – 11, 2027. Watch for further announcements as they develop.

An early 75th anniversary present was officially given by the West Athens Lime Street Fire District. A ribbon cutting ceremony was held for the new station at 921 Schoharie Turnpike, with volunteers, citizens and dignitaries helping to mark nearly three score and fifteen years of service.

"It is a very special day for our fire district, our fire company and our community," said John P. Farrell Jr., fire district chairman.

Greene County Sheriff Pete Kusminsky was among the guest speakers, noting that a "firehouse is more than a building. It is a place of service, sacrifice, courage and commitment. When the alarm sounds, firefighters don't ask who needs help, what time it is or whether it's convenient. They answer the call.

Greene County Ladies Auxiliary

Mark your calendars now. The Greene County Volunteer Firemen's Association Ladies Auxiliary will be hosting this year's annual Christmas Party & Parade at the Firefighters Home in Hudson on Sunday December 6. Santa will be visiting each resident during the afternoon and will later join in the parade. Watch your mail for full information.

To Craig Seaburg, West Athens – You are in our thoughts & prayers.

To Joan & Bob Abrahamson, and Pete and Judy Kusminsky on their recent losses of several loved ones.

Congrats to Palenville Fire Assistant Chief Kenny and his wife Michelle on the birth of their son, Declan.

==========

On behalf of the GCVFA and GCVFA-LA, The Booster Line would like to extend heartfelt sympathy to the families of the following firemanic members who have recently passed away. We apologize to anyone that we missed and offer our sincere condolences to their families.

MARY JANE ZANCHELLI – Athens VFD Auxiliary
RANDY C BRAINERD – Past Chief and Commissioner, Prattsville Hose Co.

MERRY CHRISTMAS!

LADIES AUXILIARY GREENE COUNTY VOLUNTEER FIREMEN'S ASSOCIATION

Dear Firefighters and Auxiliaries

The Auxiliary of the Greene County Volunteer Firemen's Association is proud to host the Annual Greene County VFA Christmas Party at the FASNY Firefighters' Home to be held on December 6th, 2026. Along with this, we are holding the 18th Annual Parade of Lights. Lineup will be at 5:30pm at the Hudson Middle School parking lot (across the street from the main gate of the "Home"). Step off will be at 6:00pm. The parade will enter through the main gate, and it is our hope that the parade will circle the "Home" at least 2 ½ times as the residents look forward to this event and we want to be sure that all will be able to see the parade from all sides of the building. All fire units are invited and welcome to attend. Light refreshments will be available following the parade. Please remember that Smoking is strictly prohibited on the school grounds and the grounds and property of the FASNY Firefighters' Home.

Currently Santa will be able to visit each resident. The residents are also given cookies and a card with a small monetary gift. If any auxiliary or individual interested in helping make or donate cookies, please contact Kathy Donovan at the telephone number or email shown below.

To defray the cost of this event, we are asking for donations from the fire companies/departments as well as auxiliaries. Your donations and participation in the parade will be greatly appreciated by everyone involved.

Thank you in advance for your donations and participation. Please complete the slip below and return to:

Ladies Auxiliary of the Greene County Volunteer Firemen's Association
c/o Kathy Donovan, 251 Vandenburgh Road
Coxsackie, NY 12051.

Checks should be made payable to the LA-GCVFA.

Sincerely,
Kathy Donovan, President (518) 281-5284
