

GREENE COUNTY CLERK

January – December 2022 Annual Report

Marilyn Farrell

County Clerk

Here to Serve and Protect the
public's trust in their records

Amy E. Katt, Deputy County Clerk

Lillian Beechert, Deputy DMV

County Clerk

The County Clerk's Office is a state constitutional office that is the main depositor for records created within the county. The County Clerk serves as the Clerk of the Corporation of Greene County. The County Clerk serves as a register of mortgages and deeds and of all records pertaining to real property within Greene County including judgments and liens. The County Clerk also serves as clerk of the Supreme and County Courts and is commissioned to not only collect all fees of the courts but to also protect, produce upon request and preserve court records. These are available to the public in the record room and many are available online as well.

The Greene County Clerk's Office collects and distributes monies for various state agencies. The county's share of these collections is submitted to the county treasurer on a monthly basis with a report detailing the collections.

Bail monies, levied by the county judges, are paid in to court through the county clerk's office as well as monies held in trust. These are transferred to the county treasurer's office within 48 hours of receiving the order to do so from the courts.

Our office is an Acceptance Facility for passport applications. The US Department of State provides us with applications and other forms applicants may need. For every application that we process an execution fee of \$35 is retained by the County Clerk. We also take passport photos to submit with the application. Our office also takes photos for passport renewals, licenses (i.e.: cosmetology), and attorneys for their court ID.

The County Clerk, in accordance with Vehicle and Traffic Law, acts as an agent for the Commissioner of the New York State Motor Vehicle Department. New

York State supplies the county motor vehicle office with computer equipment, support, and all necessary forms and literature to run the DMV on behalf of the state. The county supplies the facility and the manpower to perform DMV transactions. In exchange, the county retains 12.7% of many transactions performed at the county DMV. In addition, the county is allowed to retain \$1.00 for each of the first 5,000 transactions in which sales tax has been collected for NYS. After the initial 5,000 transactions, the county is allowed to retain \$.75 per transaction.

In 2011, the NYS Association of County Clerks negotiated with the NYS Department of Motor Vehicle Office to receive revenue from internet usage from county residents after meeting the state issued threshold. In 2022, Greene County received 3.25 % of the internet revenue that resulted from usage of the DMV website that was over and above \$506,001.75.

The DMV Office and the County Clerk's Office offer EZ Pass Tags for sale. These are purchased for \$21.00 each and sold for \$25.00 each. In addition to the \$4.00 profit, offering these for sale at our location provides a service to our constituents.

The Greene County Records Management Program was established by New York State Mandate in 1988. We adopted Retention Schedule CO-2 in 1989 by a resolution of the County Legislature, and our first Records Management Officer (RMO) was appointed in 1989.

The Records Management Program operates the County's Records Center, where archived records are stored and serviced. In addition to storage and retrieval of records, we also perform routine destruction of obsolete files, and advise other departments within the County on records issues.

Records Center staff consists of a Records Management Director, Records Management Technician, Records Inventory Clerk, part time clerk and per-diem clerks as needed. The Records Management staff is currently working on digitization of Public Defender.

Annual Report 2022

Records Management

The following is a summary of Records Management activity for 2022:

- 675 boxes (cubic feet) of original records were moved from various County Offices into storage at the Records Center and added to the Records Center inventory.
- 423 requests for retrieval of records from storage were processed for County Departments.
- 776 requests for file maintenance were processed (primarily, this involves retrieval of a file to add materials.)
- Approximately 94 boxes of Public Defender records were scanned, verified, and destroyed by Records Center Staff. Another 75 boxes are in various stages of this process.

Activity	2021	2022	Change
